

CBSE | DEPARTMENT OF SKILL EDUCATION CURRICULUM FOR SESSION 2022-2023

INTRODUCTION TO TOURISM (SUBJECT CODE 406)

JOB ROLE: TRAVEL AGENT/ TOUR OPERATOR

CURRICULUM FOR CLASS-IX-X

COURSE OVERVIEW:

In an increasingly globalized world with the changing paradigm of urbanized living the demand for Tourism has increased manifold the world over. India has emerged as an attractive tourism destination for all types of tourists around the year resulting in Travel & Tourism taking its place among the key industries in the economy. It employs a large number of work forces and its contribution to the national income is very substantial.

This course will deepen the students' understanding about tourism as an activity, how the tourism industry is organized and developed, and how tourism influences society locally, nationally and globally. The tourism industry covers several sectors such as hotels, airlines, destination, attractions, transportation, cruises, events, activity providers, shopping centers, tourist services, travel agents, tour operators and many others.

Most jobs in the tourism industry are about creating experiences for the traveler. This is what makes this industry especially interesting. When studying tourism one needs to learn how to create these memorable experiences. Keeping these aspects in mind the course is a strong balance between the theoretical and the practical components of the industry.

This course meets the growing needs of the tourism industry to shape highly skilled and knowledgeable professionals, so that they can assume leading roles in the management of tourism organizations. The course blends the required operational knowledge and skills, with managerial competencies, in order to educate the new generation of tourism executives. It emphasizes the cross-cultural, moral, ethical, institutional and environmental issues in the management of tourism organizations, while covering all business and operational skills.

OBJECTIVES OF THE COURSE:

The course is a planned sequence of instructions that familiarizes students with the fundamental concepts of the tourism industry and aims at giving a comprehensive introduction of the tourism industry to encourage further study and stimulate interest in the subject area, employability and vocational competencies. The course aims at providing insight to the students regarding various aspects and sectors associated with the tourism industry.

The Following are the main objectives of this course.

- To familiarize the students regarding various dimensions of tourism industry and career opportunities available in this field.
- To develop practical understanding among the students associated with tourism business through classroom discussion/ participation and projects.
- To equip all students with knowledge, understandings, skills, attitudes and values needed for future success.
- To develop transferrable skills among the students for managing various operations efficiently so that they could be ready to join the tourism industry.
- To provide knowledge to students in concise and understandable format so that students could learn and apply these concepts in their career.
- To demonstrate an understanding of the impact of tourism at individual, local, national, regional and global levels.
- To demonstrate an understanding of the principles of good management and customer service.

SALIENT FEATURES:

- Tourism industry is a people based industry and is commonly referred to as Service Industry.
- In the tourism industry service is far more important than the product.
- Travel and tourism is the largest earner of foreign exchange around the world and Employs a large number of people directly or indirectly through Industries.
- Hoteliers, Transporters, Travel Agents, Tour Guide and many more jointly play a very key role in making the final product and delivering it to the customers.
- Tourism is the fastest growing industry in the world, with career opportunities in lodging, transportation, attraction, events, food services and many more.
- Tourism is related to broader economic and social issues including commoditization and globalization of culture, hospitality, friendship, pleasure, and places as well as their attractions.

Travel business is an economic activity, which is related with continuous and regular buying and selling of travel related services.

| | 4.10 Summary | Session: Revisiting all the topics covered in the unit |

*Note- To be assessed in Practical only. No question shall be asked from this portion in Theory Exams

PRACTICAL GUIDELINES FOR CLASS IX

Assessment of performance:

In class IX-The two internal examiners, assigned for the conduct and assessment of Practical Examinations each in Secondary School Curriculum (Under NSQF). Question for the viva examinations should be conducted by both the examiners. Question to be more of General nature, project work or the curriculum. Investigatory Project especially those that show considerable amount of effort and originality, on the part of the student, should get suitable high marks, while project of a routine or stereotyped nature should only receive MEDIOCRE marks.

Procedure for Record of Marks in the Practical answer-books:

The examiner will indicate separately marks of practical examination on the title page of the answer-books under the following heads:-

Project -20 marks

A 'project' can be an assessment task given to an individual student or a group of students on a topic related to the subject. The project results in a 'product' that is assessed. The project may

involve both in-class and out-of class research and development. The project should be primarily a learning experience, not solely an assessment task. Because a great deal of time and effort goes into producing a quality product from a project assignment task, you should allow class time to work on the project. Projects options for the final practical are given below.

Viva based on Project -05 marks

The teacher conducting the final practical examination may ask verbal questions related to the project, if any, done by the student. Alternatively, if no project has been assigned to the students, viva may be based on questions of practical nature from the field of subject as per the curriculum.

Practical File / Portfolio/ Power Point presentation -15 Marks

Portfolios provide evidence for judgments of student achievement in a range of contexts. A portfolio contains a specific collection of student work or evidence. This collection of work should provide a fair, valid and informative picture of the student's accomplishments. Instructor shall assign students any outlet to study the elements in tourism.

Demonstration of skill competency in Lab Activities -10 marks

Students should be asked to demonstrate acquired knowledge through in-lab activities such as Maps, Charts, Role-play, etc.

Suggested list of Projects –

1. Students will visit a local monument and create a report by collecting information about the protection and maintenance of the monument as well as the services and facilities available at the monument.
2. Students will research, analyze and enlist the various tourism resources available in their city. It shall include suggestions to promote tourism.
3. Students will prepare a travelogue/ travel report of a place visited by them. The report shall include tourism trends, main tourist attractions and components of tourism of the place visited.
4. Students will create a detailed project on any one of Indian Railway tour packages on offer. Highlighting its salient features and promoting its strengths.
5. Students will research any one tourism product of their choice and create a detailed report on it. The report shall include introduction, history, importance, potential, and visitor information.

6. Students will visit a hotel and create a catalogue on it. The catalogue shall include information about design, architectural details, banquets, restaurants, and memberships on offer and other important services.
7. Students will analyze and research the development and significance of Silk Route. It shall include maps, photographs, detail of traded commodities and importance of the route.
8. Students will analyze and research the development and significance of Grand Tour. It shall include maps, important landmarks and importance of the tour.
9. Students will prepare a travelogue/travel report on space tourism. The report shall include space tourism trends, main attractions and components of space tourism.
10. Students will visit a National Park or a Wild Life Sanctuary and create a report by collecting information about it. It shall include the available natural resources, the services and facilities on offer.

Guidelines for Project Preparation:

The final project work should encompass chapters on:

- a) Introduction,
- b) Identification of core and advance issues,
- c) Learning and understanding and
- d) Observation during the project period.

Activity to be suggested by internal examiner, to be conducted on practical day.

Suggestive activities can be-

1. Brochure making
2. Students to prepare poster on either of the following two topics and asked to present
 - a. A monument
 - b. A fair/festival

PRACTICAL GUIDELINES FOR CLASS X

Assessment of performance:

In class X-The two internal examiners, assigned for the conduct and assessment of Practical Examinations each in Secondary School Curriculum (Under NSQF). Question for the viva examinations should be conducted by both the examiners. Question to be more of General nature, project work or the curriculum. Investigatory Project especially those that show considerable amount of effort and originality, on the part of the student, should get suitable high marks, while project of a routine or stereotyped nature should only receive MEDIOCRE marks.

Procedure for Record of Marks in the Practical answer-books:
